Jackpots

Obtain one of the 3 TOP HITS and win the JACKPOT! The Jackpot is 1000X your total buy or the current progressive, whichever is highest.

Superhit

If you win a prize and your hits include the SUPERBALL (the last drawn ball), the amount won is multiplied by 4.

Make your own selection

You can select 2 to 10 numbers between 1 and 80. The pay table varies depending on game purchase value and the number of picks.
